

SAFETY RECALL NOTICE

Dear Fabtech customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Fabtech has decided that a defect which relates to motor vehicle safety exists in a Pitman Arm, part number FT44039 for 2003-2008 Dodge 2500 and 3500 4WD and 1500 Mega Cab 4WD vehicles.

! I M P O R T A N T !

- Your Pitman Arm is being recalled
- You should contact Fabtech toll free at 877-432-2832 to arrange for a replacement pitman arm exchange. M-F 7:00am-4:00pm PST.

Why is a recall being conducted?

Fabtech pitman arms sold in suspension systems and as replacement equipment for use on certain 2003-2008 Dodge 2500 4WD, 3500 4WD and 1500 Mega Cab 4WD vehicles may contain a defect causing it to break away from the steering box. This will result in a total loss of steering control without prior warning. Steering loss could result in a vehicle crash possibly resulting in property damage, injury or death.

What are we doing about the problem?

Fabtech will supply a new replacement pitman arm to you at no charge.

What should you do?

Contact Fabtech directly at 877-432-2832. Fabtech has established selected Authorized Installers to process your vehicle. They will inspect your vehicle free of charge to identify if your vehicle has the pitman arm involved in this recall. If your vehicle has the pitman arm described in this recall it will be replaced at no charge to you. Contact Fabtech for an Authorized Installer in your area at 877-432-2832.

What if you no longer own this pitman arm?

Contact Fabtech at 877-432-2832 with the information of who owns the vehicles now. Fabtech will contact them directly once you provide the information.

Who should you contact if you have further questions or concerns?

Fabtech at 877-432-2832 M-F 7:00am-4:00pm PST

If you have already paid to have your pitman arm replaced for this condition, you may be eligible for reimbursement of the charges you paid for the replacement, as applicable. To learn more about what you need to do to obtain reimbursement, contact Fabtech toll free at 877-432-2832.

If after attempting to have your vehicle repaired you believe you have not been able to have your vehicle remedied without charge and within a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, D.C., 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for any inconvenience this safety recall may cause, but your safety is our first concern.

Sincerely,

Fabtech Industries
