IMPORTANT RECALL INFORMATION #91222FRV

January 2010

Dear Valued Fleetwood RV Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Fleetwood RV, Inc., on behalf of its subsidiary manufacturing center located in Decatur, Indiana, has decided that certain 2009 and 2010 model year Fiesta and Terra 34B model Class A motor homes fail to comply with the requirements of the Code of Federal Regulations, Part 567, "Certification".

WHAT IS THE PROBLEM?

Fleetwood RV, Inc. has become aware of a fresh water tank capacity input error. The Federal Certification Tag was printed with an incorrect fresh water tank capacity of 85 gallons. The correct fresh water tank capacity is 50 gallons.

WHAT SHOULD YOU DO?

Deface the original Federal Certification Tag and replace it with the new serial number specific Federal Certification Tag enclosed with this letter. You can locate the Federal Certification Tag on the inside sidewall just behind the driver's seat. **Note: Please peel the backing before applying over the defaced originals.** Failure to install the corrected label will not meet the requirements of the "Certification" standard.

WHAT WILL FLEETWOOD DO?

If you do not feel comfortable installing the replacement tag, you may take your motor home to any Fleetwood RV dealer and they will perform this service at no charge to you. When you deliver your motor home for repair, your dealer will complete a **Repair Order**, which you will need to sign.

If you have paid to have this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information contact Fleetwood Owner Relations at (800) 509-3418.

Upon completion of the installation of the replacement tag by yourself or a Fleetwood RV dealer, please fill out the enclosed self-addressed **Vehicle Information Update Card** and return it to Fleetwood RV

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle Information Update Card** and return it to Fleetwood. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

For leased vehicles - Any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact:
