

AFFECTED VEHICLES
MODELS: 2004 ENDEAVOR

Date: July, 2010

Dear Mitsubishi Owner,

This notice has been sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Reason For Notice: Mitsubishi Motors North America, Inc. (MMNA) has determined that a defect relating to vehicle safety exists in certain 2004 Endeavor vehicles being operated in locations where road salt is used and in cold conditions. Road salt can cause corrosion of the fuel filler pipe. Over time, corrosion could lead to fuel leakage from the pipe during fueling of the vehicle. Fuel in the presence of an ignition source may result in a potential fire hazard.

What you should do: Please contact your Authorized Mitsubishi Dealer and schedule an appointment to have the fuel filler pipe on your vehicle inspected. If necessary, the dealer will replace the fuel filler pipe, free of charge. When you bring your vehicle in, please show the dealer this letter. (If you misplace this letter, the dealer will still make this inspection/repair to your vehicle, free of charge). Please bring your vehicle to the dealership with less than ½ tank of fuel.

What your dealer will do: The dealership will inspect your vehicle to determine if it already has an improved fuel filler pipe with corrosion protection coating. If necessary, the dealer will install an improved fuel filler pipe on your vehicle.

How long will it take? The time needed for this repair is approximately 1½ hours. The dealer may need your vehicle for a longer period of time due to service scheduling issues, but every effort will be made to minimize your inconvenience.

If you experience any problem having your vehicle repaired promptly and/or at no charge, please inform us by calling the Mitsubishi Customer Relations Department at **888-648-7820**. Hours: Monday through Friday 7 a.m. to 4 p.m. (Pacific Time)

If, after contacting Mitsubishi Customer Relations, you still have a problem getting this repair made promptly and/or without charge, write to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, D.C. 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <http://www.safercar.gov>.
