

## OWNER'S LETTER (example of typical owner's letter)

Dear Nissan Frontier Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain 2006 and 2008 Model Year Nissan Frontier vehicles. Our records indicate that you own or lease a Model Year 2006 or 2008 vehicle identified on the cover of this notice.

### Reason for Recall

The fuel tank shells on some vehicles manufactured during these time periods were built out of specification. As a result, the fuel sender unit may skew over time, and send an incorrect reading to the instrument panel fuel gauge, causing it to show that the vehicle has approximately one quarter tank when the fuel tank is empty. If this were to occur on your vehicle, the vehicle could stall, which could create an unsafe condition which could result in a crash.

### What Nissan Will Do

Your Nissan dealer will replace the fuel level sending unit inside the fuel tank with a new one having a modified float arm. This service, free of charge for parts and labor, should take three hours to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

Nissan is also providing complimentary 24 hour Roadside Assistance until March 31, 2011. If you have purchased a Nissan Security+Plus extended service contract that includes the benefit of Roadside Assistance and the expiration date is after March 31, 2011, twelve months of Roadside Assistance will be provided beyond the contract expiration date.

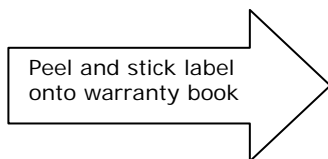

### What You Should Do

Contact your Nissan dealer as soon as possible to have your vehicle inspected. In the meantime, **please maintain the fuel level in your vehicle so that the fuel gauge reads above the one half position.** In addition, please remove the sticker located on the bottom of this letter and place it into your Nissan Warranty Information Booklet to remind you should you ever need to use it. Some of the benefits provided include 24 hour emergency roadside fuel delivery and towing to the nearest Nissan dealer. The toll-free number is 1-800-528-2053. Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Nissan dealer.

If you have previously paid to have your fuel gauge replaced prior to this campaign, you may be eligible for reimbursement of the related expense. Please contact the National Consumer Affairs Department for instructions. National Consumer Affairs Department, Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). If the dealer fails, or is unable to make the necessary repairs free of charge, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Thank you for your cooperation. We are indeed sorry for any inconvenience this may cause you.

Nissan is providing complimentary 24 hour Roadside Assistance on your 2006 or 2008 Nissan Frontier vehicle until March 31, 2011 or 12-months from your Nissan coverage end date. Please call the toll-free number 1-800-528-2053 if you need roadside fuel delivery, towing, dead battery jump start, flat tire, or lockout service.
