This notice is sent to you in accordance with the requirements of the National Traffic & Motor Vehicle Safety Act. Triple E Recreational Vehicles has decided that certain 2010 Regency GT28DB & 2010 Regency GT29DB manufactured between August 2009 & February 2010 fail to conform to Federal Motor Vehicle Safety Standard No. 571.207, "Restraining device for hinged or folding seats or seat backs."

### **Description of Defect:**

The easy-bed sofa option installed in the above mentioned motorhome was manufactured without the roll-over safety locking latch. Please contact your selling dealer as soon as possible to arrange for an appointment to have this recall performed. Please take the enclosed form with you to your appointment, having the service center complete and they will send the completed form with their warranty claim to Triple E RV.

**Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.**
