"SAFETY RECALL NOTICE"
NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION
RECALL NO: 10V-094

Trans Tech Bus, TCI Recall #: 10V-094

Vehicle VIN number:
Customer Name:
Customer Address:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Transportation Collaborative Inc has decided that certain 2007 thru 2009 Rondak, Q86 and STH, Trans Tech Bus School Bus models equipped with 33 ½" Freedman Seating Co. School Bus Barriers, fail to conform to Federal Motor Vehicle Safety Standard No. 222 "School Bus Passenger and Crash Protection" S5.3.2 "Leg protection Zone".

What the safety concern is:

The noncompliance involves FMVS 222 "School Bus Passenger Seating and Crash Protection" paragraphs S5.3.2 thru S5.3.2.2 Leg Protection Zone of §573.222, which requires that **"when any point on the rear surface of that part of a seat back or restraining barrier within any zone specified in S5.3.2.1 is impacted from any direction at 4.9 m/s by the knee, the resisting force of the impacted material shall not exceed 2,669 N"**. Specifically, two points on the School Bus Barriers exceeded the maximum resisting force of 2,669 N as stated in the regulation.

Specifically, In the event of a vehicle collision, a passenger's knee may come in contact with the rear surface of the non-complaint restraining barriers, which could result in personal injury to the occupant.

There is no visible distinction between a compliant and a non-compliant 33 ½" Freedman School Bus Barrier, which indicates that the non-compliance exists. All models indicated by this notice are presumed to be noncompliant with Federal Motor Vehicle Safety Standard No. 222 and must be repaired.

7 LAKE STATION ROAD

WARWICK, NY 10990

PHONE: (845) 988-2333

The Remedy:

Transportation Collaborative Inc. will affect repairs to your vehicle by the installation of a retro fit Expanded Polystyrene Foam (FSC#52271195) to the existing barriers. The repair kit will consist of 2 rolls of 3M VHB 4941 Series double sided tape (FSC# 140416) and 2 Squares of retro fit Expanded Polystyrene Foam (FSC#52271195).

The expected out of service time necessary to affect repairs is .50 hour per Barrier, however this may vary due to dealer service scheduling requirements.

What we are requesting you do:

Transportation Collaborative is requesting that you (the end user), contact TCI at 845-988-0419 to arrange for inspection and scheduling of the repair by an authorized facility.

Upon completion of the vehicle inspection please have the prepaid response card filled out and sent back to Transportation collaborative:

TCI
Warranty Department
7 Lake Station Road
Warwick, NY 10990

Address or ownership change:

Please notify us of any change of address or vehicle ownership. If you are the lesser of the above - mentioned vehicle, you must forward this letter to the lessee within ten (10) days of receipt of this letter.

What Transportation Collaborative will do for you?

Transportation Collaborative Inc. will affect repairs relating to this recall, both parts and labor, at no cost to you the vehicle owner. Upon receipt of the response card, we will immediately ship out the repair kits to you directly, or to an authorized repair facility as directed by TCI. You may perform the recall yourself, or you may contact us and we will arrange for you to take your vehicle to an authorized repair facility.

If repairs or modifications outlined by this notice have been preformed prior to the receipt of this recall notification, complete the prepaid response card and the reimbursement form included with this letter with a copy of the work order or invoice to Transportation Collaborative Inc for reimbursement. TCI reimburses dealers, customers and authorized repair facilities within 30 days of the completed repair.

If you have any questions:

Transportation Collaborative Inc. customer service/warranty department will be happy to assist you with any questions.

For further information, please contact:

Jose Vazquez
Transportation Collaborative Inc
Warranty Department
7 Lake Station Road
Warwick New York 10990
Phone 845-988-0419 Fax 845-988-0324
E-mail: jvazquez@transtechbus.com

If you have a complaint:

If you have difficulties getting your vehicle repaired in a reasonable timeframe and without charge, please contact Transportation Collaborative Inc. customer service at 1-845-988-0419 or e-mail TCI at jvazquez@transtechbus.com for further assistance. Representatives are available Monday thru Friday 8:30am – 5:00pm (EST).

If you are still having difficulties getting your vehicle repaired in a reasonable time you may send your complaints to the Administrator, National Highway Traffic Safety Administration at 1200 New Jersey Avenue SE. Washington, and D. C. 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153): or go to <http://www.safercar.gov> .

Thank you for your attention to this important matter, we regret any inconvenience this recall may have caused.

Sincerely,

Jose Vazquez
Transportation Collaborative Inc.

"SAFETY RECALL NOTICE"
NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION
RECALL NO: 10V-094

Attention TCI Dealer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. No. 577.13, "*Notification to dealers and distributors*".

Transportation Collaborative Inc. has decided that certain 2007 thru 2009 Rondak, Q86 and STH School Buses fail to conform to Federal Motor Vehicle Safety Standard No. 222 "*School Bus Passenger and Crash Protection*" S5.3.2 "*Leg Protection Zone*".

The noncompliance involves FMVS 222 "School Bus Passenger Seating and Crash Protection" paragraphs S5.3.2 thru S5.3.2.2 *Leg Protection Zone* of §573.222, which requires that "**when any point on the rear surface of that part of a seat back or restraining barrier within any zone specified in S5.3.2.1 is impacted from any direction at 4.9 m/s by the knee, the resisting force of the impacted material shall not exceed 2,669 N**". Specifically, two points on the School Bus barriers exceeded the maximum resisting force of 2,669 N as stated in the regulation.

In the event of a vehicle collision, a passenger's knee may come in contact with the rear surface of the non-complaint restraining barriers, which could result in personal injury to the occupant.

There is no visible distinction between a compliant and a non-compliant 33 ½" Freedman School Bus Barrier, which indicates that the non-compliance exists. All models indicated by this notice are presumed to be noncompliant with Federal Motor Vehicle Safety Standard No. 222 and must be repaired.

Transportation Collaborative Inc will affect repairs to your vehicle by the installation of a retro fit Expanded Polystyrene Foam (FSC#52271195) to the existing barriers. The repair kit will consist of 2 rolls of 3M VHB 4941 Series double sided tape (FSC# 140416) and 2 Squares of retro fit Expanded Polystyrene Foam (FSC#52271195).

The expected out of service time necessary to affect repairs is .50 hours per Barrier.

7 LAKE STATION ROAD

WARWICK, NY 10990

PHONE: (845) 988-2333

Transportation Collaborative Inc will arrange and assist customers with locating authorized dealers and will supply any parts needed for the owners of all the affected vehicles, at no cost.

In order to ensure that all vehicles that are subject to the recall are corrected, TCI will perform the following actions:

- Transportation Collaborative Inc. will notify the appropriate customers and advise them to inspect their vehicle(s).
- TCI will further request a reply from those customers indicating whether their vehicle is affected or not.

Also enclosed with this letter are copies of the information that will be sent to each customer. Should you have any vehicles in your stock that require the recall service work, please make certain that these vehicles are corrected. As per Federal Motor Vehicle Safety Standard No. 577.13 which states that it is a, "*violation of Federal Law for a dealer to deliver a new motor vehicle or any new or used (including tire) covered by the notification under a sale or lease until the defect or noncompliance is remedied*".

If you have any questions about this recall please call Transportation Collaborative Inc. Customer Service at 1-845-988-0419.

Sincerely,

Jose Vazquez
