 **THE BRAUN CORPORATION**
"Providing Access to the World"

Dear Valued Braun Customer:

The Braun Corporation is committed to keeping you informed of important information concerning the Braun product you purchased from an authorized Braun Mobility Dealer. Our emphasis on building the safest and most reliable products is likely among the reasons you have chosen Braun for your Mobility needs and we appreciate and value your business.

The attached recall notification is our way of keeping you safe and satisfied with your vehicle. We are asking you read and follow the instructions carefully. The inspection should be completed in less than 1 hour by one of our authorized mobility dealers. If after the inspection it is determined a retrofit is required, an additional 2 hours may apply.

We regret any inconvenience you may incur in answering this recall notification. Please know that The Braun Corporation will continue do our part to keep you safe and secure and will remain committed to standing by the mobility products we sell.

Best Regards,

Ralph W. Braun
Chief Executive Officer
The Braun Corporation

Braun Corporate Quality Policy:

Together, we will meet or exceed customer expectations. We pursue activities that lead to continual improvement through inspection, analysis and regular review throughout the organization of our quality objectives.

**SAFETY RECALL – REAR SUSPENSION TRAILING ARM WELDMENT ON 2005-2008 GM ENTERVANS
MANUFACTURED BY THE BRAUN CORPORATION**

Customer Name
Address
City State

Vehicle Identification Number: XXXXXXXXXXXXXXXXXXXX
NHTSA Recall Identification Number: **10V-110**

Dear Entervan Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

The Braun Corporation has decided that certain 2005-2008 General Motors mobility conversions may contain a defect which relates to motor vehicle safety. This defect may present itself with a squeaking noise, a rough ride, or degradation in vehicle control. As a result, passengers, pedestrians, or other motorists may be injured or killed.

Your vehicle, identified above, **is affected**. To correct this condition please take your vehicle to the mobility dealer from whom you purchased the vehicle. If this is not possible, please call 800-488-0359 and a Braun Customer Experience Representative will direct you to a Braun approved mobility dealer who can perform the required inspection, and repair as needed. An approved Braun Dealer service technician will perform the inspection and any additionally required action.

The inspection should take approximately 1 hour. However, additional time may be required depending on the outcome of the inspection.

Please contact your mobility dealer service center and schedule an appointment. Please bring this Owner Notification letter with you at the time of your appointment and give it to your mobility dealer. This form identifies the vehicle and the service that is required. Once again, an approved Braun service technician will perform the inspection and any additionally required action.

We regret any inconvenience this action may cause you. However, we are concerned about your safety. If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590, or call 1-888-327-4236.

Thank you for your attention to this matter.
