IMPORTANT SAFETY RECALL NOTICE

Dear ZDX Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

What is the reason for this notice?

Acura has decided that a defect which relates to motor vehicle safety exists in certain 2010 model year ZDX vehicles. During the manufacturing process, the dashboard covering material may have not been properly laser scored to allow complete deployment of the front passenger's SRS airbag. In the event of a crash, the airbag will not deploy properly, increasing the risk of injury.

What should you do?

Call any authorized Acura dealer and make an appointment to have your vehicle repaired. The dealer will inspect the dashboard covering material and replace it if necessary, free of charge. Please plan to leave your vehicle for half a day to allow the dealer flexibility in scheduling.

Who to contact if you experience problems.
