2010 Z1000 FRONT BRAKE HOSE INSPECTION WARNING AND RECALL NOTICE

MC 10-03

Dear Kawasaki Motorcycle Owner:

This notice has been sent to you in accordance with requirements of the National Traffic and Motor Vehicle Safety Act.

The reason for this notice:

Kawasaki Motors Corp., U.S.A. has decided that a defect which relates to motor vehicle safety exists in 2010 Z1000 (ZR1000DAF/L,) models. On eligible units, under severe riding conditions the left front brake hose may contact the front brake rotor during extremely heavy application of the front brake. This can cause brake fluid to leak creating the potential for a crash resulting in injury or death. Our records indicate that you have purchased one of these units.

What Kawasaki and your dealer will do:

Your Kawasaki dealer will correct this problem for you at no charge. The correction will consist of inspecting the front brake hose and replacing if required. Additionally, the front brake hose position will be adjusted to prevent contact with the brake rotor. The actual repair will take up to 1 hour but may take longer due to scheduling at the dealership and the time needed to obtain required parts.

What you must do to ensure your safety:

Repair parts will be available at your Kawasaki dealer after July 9, 2010. Please call your authorized Kawasaki motorcycle dealer to schedule an appointment and take this letter with you at the time of your appointment.

DO NOT RIDE YOUR MOTORCYCLE UNTIL THE REPAIR HAS BEEN COMPLETED. If you must operate your 2010 Z1000 motorcycle prior to repair, review the inspection procedure enclosed with this letter.

If you need help:

If you have questions or concerns that your dealer is not able to resolve, please Contact Kawasaki's Consumer Services Department at (866) 802-9381 (toll-free) between 8:00 a.m. and 5:00 p.m. PT Monday through Friday. Please have your Vehicle Identification Number ready when calling.

If your dealer fails or is unable to remedy this defect without charge within a reasonable amount of time (60 days after your first attempt to obtain remedy), you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hotline at 1(888) 327-4236 (TTY: 1-800-424-9153); or go to www.safercar.gov.
