NHTSA Recall Campaign #10V-337

Dear Jayco Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Jayco, Inc. has decided that a defect, which relates to motor vehicle safety, exists in specific Model Year 2010 Jayco Select Camping Trailer, Model 141J. The affected units were manufactured between November 11, 2009 and April 6, 2010.

Jayco has identified that the axle is located too far forward. This allows the tires to make contact with the wheel well, which may cause damage to the tire and/or the wheel well. If this condition is not addressed, it may result in an accident, injury or death.

The remedy for the affected Jayco Select Camping Trailers is to cut the brackets, move the axle rearward, and weld it in this new position. This repair will be done at no charge to you. If you have had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information or if you are unable to have this repair performed, please contact Jayco Customer Service at 800-283-8267 for assistance.

Please contact your Jayco dealer, who is best equipped to perform this repair. If your Jayco dealer is unable to perform the recall within a reasonable time frame, please contact Jayco Customer Service for further instructions. Any non-Jayco dealer must contact Jayco prior to making the recall repairs for proper authorization and instruction. If you have sold or traded your vehicle, or for any reason cannot have this recall service performed, please let us know by completing the information on the enclosed post card and returning it to us promptly. Federal regulations require that any vehicle lessor receiving this notice must forward a copy of this notice to the lessee within **ten days**.

If, however, you take your recreational vehicle to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please contact our Customer Service department at 800-283-8267. After contacting your Jayco dealer and Jayco Customer Service and you are not able to have the safety defect remedied without charge and/or within a reasonable time, you may wish to submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for this inconvenience. However, we have taken this action in the interest of your safety and continued satisfaction with your Jayco recreational vehicle.

Sincerely,

Jayco, Inc.
