SAFETY RECALL 61101-C

OCTOBER 2010

Dear Workhorse Customer,

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Workhorse Custom Chassis (Workhorse) has decided that a defect which relates to motor vehicle safety exists in certain W22 and R26 motor home chassis built from February 5, 2007 through May 24, 2010 equipped with optioned 75 gallon dual fill fuel tanks.

REASON FOR THIS RECALL

The fuel-fill cap assemblies used to seal the unused fuel tank inlet were produced with an incorrect hose material.

RISK TO MOTOR VEHICLE SAFETY

During normal usage the hose material may deteriorate which can result in a fuel leak. A fuel leak increases the risk of a fire which may result in property damage, personal injury, or death.

ACTIONS YOU SHOULD TAKE

Workhorse's records indicate that you own a vehicle involved in this recall. The vehicle is identified on the enclosed card.

If you own this vehicle, please schedule an appointment with any Workhorse Service Center / Workhorse Select Service Center near you to have your vehicle repaired. You can find your nearest dealer by using the dealer locator at www.workhorse.com click on the dealers tab at the top of the page or by calling 1-877-246-7731 (Press 1 for the recall resource group). The repair will involve the replacement of fuel fill cap. Dealers have parts and instructions to repair your vehicle. The fuel cap replacement will be performed free of charge and take

approximately 0.6--2.9 hours to complete, depending on vehicle configuration.

If you have previously replaced the fuel cap due to a leak on your motorhome chassis involved in this recall, you may be eligible for reimbursement. Please contact your local Workhorse Service Center or Workhorse Custom Chassis directly. You may also submit by mail all information supporting the repair required to correct the fuel leak for reimbursement consideration to.

Workhorse Custom Chassis
850 Stephenson Hwy, Suite 510
Troy, MI 48083

If you are the lessor of this vehicle, please forward a copy of this notice to the lessee within ten days to comply with federal regulations.

If you do not own this vehicle, please fill out and return the enclosed card so that you will not be contacted again about this recall.

IF YOU NEED FURTHER ASSISTANCE

If you believe that Workhorse has failed to remedy the defect without charge or within a reasonable time, please follow the procedure described in the Owner Assistance Guide section in your Owner's Manual or call toll free 1-877-246-7731 (Press 1 for the recall resource group).

You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave, SE, Washington, DC 20590; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9152); or go to <http://www.safercar.gov>.

Workhorse requests your prompt attention and patience regarding the correction of this defect and apologizes for any inconvenience this may cause you.
