## **OWNER NOTIFICATION**

Dear Nissan Frontier King Cab owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that certain Model Year 2010 Nissan Frontier King Cab vehicles fail to conform to one of the requirements set forth in Federal Motor Vehicle Safety Standard (FMVSS) No. 225, "Child Restraint Anchorage Systems – Passenger Cars." Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the cover of this notice.

### **Reason for Recall**

The child seat tether anchor located on the front passenger seat frame on some Nissan Frontier King Cab vehicles may have an out-of-specification weld and may not meet one of the applicable strength requirements. This anchor is used as one of the attachment points when a child seat is installed in the front passenger seat. If a child seat is installed in the front passenger seat and the tether anchor were to separate from the vehicle seat frame during a crash, it may increase the risk of injury to the child occupant.

### **What Nissan Will Do**

To address this issue, your Nissan dealer will replace the front passenger seat tether anchor with a new one. This free service should take less than an hour to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

### **What You Should Do**

Contact your Nissan dealer as soon as possible in order to arrange an appointment to have your vehicle repaired. Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Nissan dealer.

If the dealer fails, or is unable to make the necessary repairs free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc. P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.
