IMPORTANT: Safety Notice

SAFETY – RECALL –

Dear Valued Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Spartan Motors Chassis, Inc. has determined a defect which relates to motor vehicle safety exists in certain emergency rescue transport cab/chassis assembled by Spartan Motors Chassis, Inc. equipped with a Hercules Node which houses the cab tilt control circuit.

Please note: The Vehicle Identification Number that may be affected by this recall is located at the top of this letter.

Defect or Noncompliance:

Certain Furion RT model cab and chassis equipped with Weldon V-MUX® System may be subject to an inadvertent cab tilt (hoist) which may cause the driver to react adversely resulting in a vehicle crash.

Corrective Action:

Spartan has determined rotating the control module 90-degrees from its current horizontal mounted position, adding a cover plate over the top of the mounting region, and reprogramming of the tilt control logic are the remedy for this defect.

Labor Time:

The labor time required to perform said repairs may be up to 4 hours. Due to some service scheduling times, your service center may need your vehicle for a longer period.

SPARTAN CHASSIS, INC.

1000 REYNOLDS RD • CHARLOTTE, MI 48813 • 517.543.6400

What You Should Do:

Call Spartan Chassis at 800-543-5008 with your current mileage. It will then be determined if your unit is part of the recall. If so, steps will be taken to ensure the recall is performed at the nearest authorized service center. You do not need to call Spartan Chassis to find the facility most convenient to you. These facilities can be located on Spartan's website: <http://www.spartanchassis.com>. If you lack access to the internet, call 800-543-5008 (Option 1) for locations.

Leased Vehicles:

The lesser must notify the lessee by first class mail within ten (10) days from receipt of their owner notification letter from the manufacturer; both for the initial notification and all subsequent notifications.

Reimbursement:

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information, contact Spartan Chassis at 800-543-5008 - Option 6.

Reply Card:

Please fill out the enclosed prepaid postcard and mail it to us if you have changed your address, sold, or traded the vehicle.

If the authorized service center has failed or is unable to remedy the defect without charge and within a reasonable time, contact Spartan Chassis at 800-543-4277 - Option 1. You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, D.C. 20590 or call the Auto Safety Hotline at 888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov> if you feel the manufacturer has failed or is unable to remedy the defect or noncompliance without charge

We regret any inconvenience this service may cause you. Your safety and continued satisfaction with the quality and performance of your Spartan Chassis vehicle is of the utmost concern to us.

IMPORTANT: Safety Notice

SAFETY – RECALL –

Dear Valued Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Spartan Motors Chassis, Inc. has determined a defect which relates to motor vehicle safety exists in certain emergency rescue transport cab/chassis assembled by Spartan Motors Chassis, Inc. equipped with a Hercules Node which houses the cab tilt control circuit.

Please note: The Vehicle Identification Number that may be affected by this recall is located at the top of this letter.

Defect or Noncompliance:

Certain Furion RT model cab and chassis equipped with Weldon V-MUX® System may be subject to an inadvertent cab tilt (hoist) which may cause the driver to react adversely resulting in a vehicle crash.

Corrective Action:

Spartan has determined rotating the control module 90-degrees from its current horizontal mounted position, adding a cover plate over the top of the mounting region, and reprogramming of the tilt control logic are the remedy for this defect.

Labor Time:

The labor time required to perform said repairs may be up to 4 hours. Due to some service scheduling times, your service center may need your vehicle for a longer period.

SPARTAN CHASSIS, INC.

SAFETY – RECALL –

Dear Valued Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Spartan Motors Chassis, Inc. has determined a defect which relates to motor vehicle safety exists in certain emergency rescue transport cab/chassis assembled by Spartan Motors Chassis, Inc. equipped with a Hercules Node which houses the cab tilt control circuit.

Please note: The Vehicle Identification Number that may be affected by this recall is located at the top of this letter.

Defect or Noncompliance:

Certain Furion RT model cab and chassis equipped with Weldon V-MUX® System may be subject to an inadvertent cab tilt (hoist) which may cause the driver to react adversely resulting in a vehicle crash.

Corrective Action:

Spartan has determined rotating the control module 90-degrees from its current horizontal mounted position, adding a cover plate over the top of the mounting region, and reprogramming of the tilt control logic are the remedy for this defect.

Labor Time:

The labor time required to perform said repairs may be up to 4 hours. Due to some service scheduling times, your service center may need your vehicle for a longer period.

SPARTAN CHASSIS, INC.

1000 REYNOLDS RD • CHARLOTTE, MI 48813 • 517.543.6400

What You Should Do:

Call Spartan Chassis at 800-543-5008 with your current mileage. It will then be determined if your unit is part of the recall. If so, steps will be taken to ensure the recall is performed at the nearest authorized service center. You do not need to call Spartan Chassis to find the facility most convenient to you. These facilities can be located on Spartan's website: <http://www.spartanchassis.com>. If you lack access to the internet, call 800-543-5008 (Option 1) for locations.

Leased Vehicles:

The lesser must notify the lessee by first class mail within ten (10) days from receipt of their owner notification letter from the manufacturer; both for the initial notification and all subsequent notifications.

Reimbursement:

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information, contact Spartan Chassis at 800-543-5008 - Option 6.

Reply Card:

Please fill out the enclosed prepaid postcard and mail it to us if you have changed your address, sold, or traded the vehicle.

If the authorized service center has failed or is unable to remedy the defect without charge and within a reasonable time, contact Spartan Chassis at 800-543-4277 - Option 1. You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, D.C. 20590 or call the Auto Safety Hotline at 888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov> if you feel the manufacturer has failed or is unable to remedy the defect or noncompliance without charge

We regret any inconvenience this service may cause you. Your safety and continued satisfaction with the quality and performance of your Spartan Chassis vehicle is of the utmost concern to us.

Sincerely,
