

IMPORTANT RECALL INFORMATION

Dear Valued Fleetwood Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Fleetwood RV, Inc., has decided that a defect which relates to motor vehicle safety exists in certain vehicles it manufactured equipped with Atwood ranges. This decision was based on information provided by the Atwood Corporation.

Fleetwood RV, Inc., has been advised by the Atwood Corporation that certain Atwood ranges installed as original equipment in certain Fleetwood recreational vehicles may contain a defect that relates to motor vehicle safety.

The ranges may contain a small fracture within the line delivering gas to the oven cavity burner. Such a fracture has a potential to leak and lead to an unexpected build up of gas. This condition can lead to a fire or explosion, and poses an asphyxiation risk.

On the basis of Atwood's determination, Fleetwood RV, Inc., decided that a safety defect, which relates to motor vehicle safety, might exist in certain recreational vehicles equipped with the identified Atwood ranges. Therefore Fleetwood RV, Inc., has submitted a Defect Information Report to the National Highway Traffic Safety Administration pursuant to 49 CFR Part 573 of the code of Federal Regulations.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information contact the Atwood Corporation at 1-800-825-4328.

We regret any inconvenience that this action may cause you. However, we are concerned about your safety. If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the:

Administrator
