A NAVISTAR COMPANY

SAFETY RECALL G-10521

FEBRUARY 2011

Dear INTERNATIONAL® Customer,

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Navistar has decided that a defect which relates to motor vehicle safety exists in certain 4300 model trucks built 8/3/10 thru 11/23/10 with a MaxxForce 7 engine.

REASON FOR THIS RECALL

The fuel lines and transmission electrical harness may have been routed too close to the engine turbo exhaust pipe possibly causing the fuel line to leak fuel on the turbo pipe or causing the melting and possible burning of the electrical harness.

RISK TO MOTOR VEHICLE SAFETY

Fuel leaking on the turbo exhaust pipe or a melting electrical harness may cause a vehicle fire possibly resulting in property damage, personal injury, or death.

DEFECT REMEDY

The remedy will involve the inspection of the transmission electrical harness and fuel lines. Any incorrect routing or heat damage will be repaired. Dealers have instructions to repair your vehicle. The repair will be performed free of charge and may take up to 3 hours to complete.

ACTIONS YOU SHOULD TAKE

Navistar's records indicate that you own a vehicle involved in this recall. The vehicle is identified on the enclosed card.

If you own this vehicle, please schedule an appointment with any INTERNATIONAL® dealer to have your vehicle repaired. You can find your nearest dealer by calling 1-800-448-7825 or by using the dealer locator at <http://www.internationaltrucks.com>.

If you are the lessor of this vehicle, please forward a copy of this notice to the lessee within ten days to comply with federal regulations.

If you do not own this vehicle, please fill out and return mail the enclosed card so that you will not be contacted again about this recall.

IF YOU NEED FURTHER ASSISTANCE

If you believe that Navistar has failed to remedy the defect without charge or within a reasonable time, please follow the procedure described in the Owner Assistance Guide section in your Owner's Manual or call toll free 1-800-448-7825.

You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave, SE, Washington, DC 20590; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9152); or go to <http://www.safercar.gov>.

Navistar requests your prompt attention and patience regarding the correction of this defect and apologizes for any inconvenience this may cause you.
