IDENTIFICATION OF DEFECTIVE CONTROL ARM ASSEMBLIES

Duralast® Brand Control Arm Assembly Recall: FA4510X, FA4611X & 10946

Defective control arm assemblies can be identified by one of the following methods depicted on this page:

Figure 1: Date Code on the Control Arm Assembly package (see page 2, column 5, for the affected date codes)
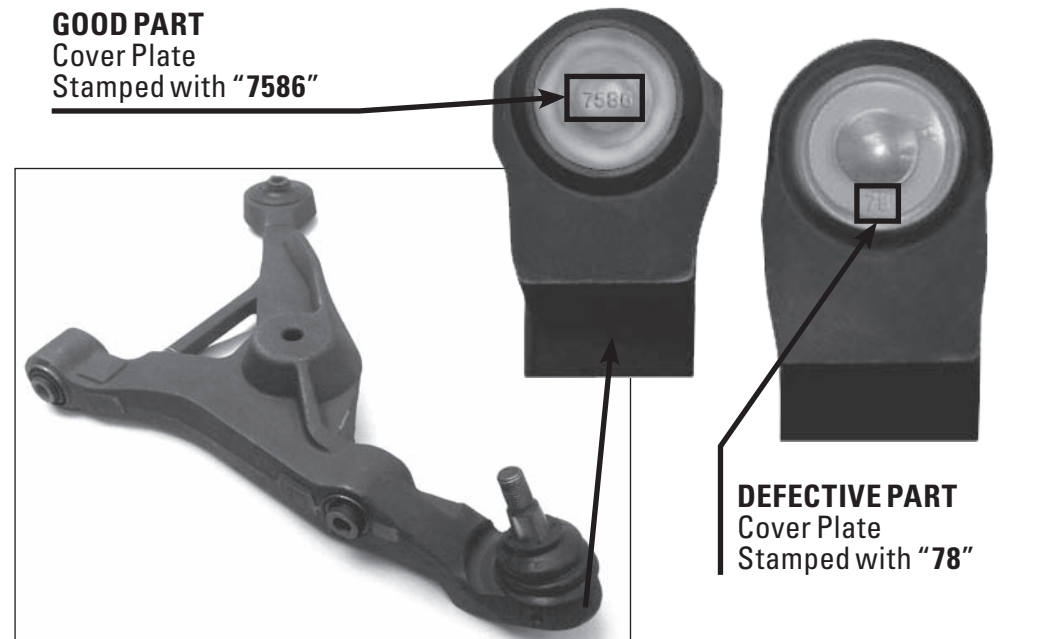

Figure 2: Numerical Stamp on the Control Arm Assembly's ball joint cover plate (see page 2, column 6, for the affected numerical stamp)

NOTE: *If a GREEN DOT is present on the package (the green dot will be located left of the part number label), the part is* **good**.
If no green dot is present, check the packaging date code.
