

Safety Recall – Vactor Manufacturing 2103 Sewer Cleaner Debris Body Cylinder Retaining Pin

Owner

Serial Number

Recall Number

--	--	--

Your Vactor 2103 requires the debris body lift cylinder retaining pin be replaced. Please refer to the Service Bulletin instructions that were included with this Recall notice to perform the repair. If you would prefer that your Vactor dealer perform the repair, please contact them as soon as possible to schedule an appointment at their facility. Once the repair is performed, please indicate so by circling one of the choices on the right and returning the post card to the address on the reverse side of this card. It is very important that this card be returned and we appreciate your cooperation.

If you no longer own the sewer cleaner identified on this post card, please indicate so by filling out the change of ownership box and return this card to the address shown on the reverse side.

Please Check One

- Repair completed per the instructions provided
