Washington, DC 20590

Re: NVS-215jks; 10V-218
2009 and 2010 MY Lexus LS Variable Gear Ratio Steering (VGRS)

Dear Mr. Person:

In connection with the above voluntary recall campaign, the owner notification has been approved by your office, and we wish to advise that owner mailings are now scheduled to begin next week. Dealer notices were issued on June 21st.

In addition, Toyota is diligently reviewing all warranty records to determine if earlier model vehicles may have received the subject ECU under warranty. Currently Toyota has identified four 2007 MY vehicles that may have received the subject ECU under warranty service, and owner notification letters will also be mailed to them. If we discover other vehicles that may contain the subject ECU, we will include them in this campaign and advise you accordingly.

Should you have any questions, please contact me at (202) 775-1707.

Sincerely,

TOYOTA MOTOR NORTH AMERICA, INC.

Chris Santucci, Manager
Technical & Regulatory Affairs
