## General Information

**Fastenal Part No. (SKU)** 0160886

**UNSPSC** [31161807](#)

**Manufacturer** [Fastenal Approved Vendor](#)

**Notes** Flat washers are used typically under the head of a bolt or a nut to distribute the forces applied when tightening. USS and SAE washers are designed for cap screws and other threaded products. Yellow Zinc offers a modest amount of corrosion resistance, slightly higher than that of clear zinc.

**Category** [Fasteners](#) > [Washers](#) > [Flat Washers](#)

**Finish** Yellow Zinc

**Grade** 9

**Inner Diameter** 0.454"

**Material** Steel

**Outer Diameter** 1.250"

**Style** USS

**Type** Flat Washer

**Nominal Size** 7/16"

**Nominal Thickness** 0.106"

**Shipping Weight** 0.0159 lbs.
