Subject: Blue Bird Recall R10SB (NHTSA 10V-296 and 10V-297) Intermediate Steering Shafts Inspection and Replacement

Kelly,

We just received the rough instructions from our dealer for Recall R10SB (NHTSA 10V-296 and 10V-297) Intermediate Steering Shafts Inspection and Replacement. It took longer than we anticipated. We will need additional time to review and complete the instructions. The new planned notification date is September 30, 2010.

If you have any questions, give me a call.
