Ansley, Alexander (NHTSA)

Leslie,

Good afternoon. MCI notified us today of a defect they have discovered in their vehicles due to a product supplied to them by SE-GI. Their Defect Report is attached.

Did SE-GI Products Inc. supply these same or similar defective window assemblies to any other vehicle manufacturer or aftermarket distributor/retailer? If so, those companies, as well as SE-GI, might have additional recall responsibilities that have not yet been met.

Please contact me with any questions.

Thank you,

Alex Ansley
