

REIMBURSEMENT PLAN

Requirements for Reimbursement

If you meet **all** of the following requirements, you are eligible to receive reimbursement under this plan:

1. You own or have owned a 2007-2009 Mazda3 or Mazda5 vehicle built between April 2, 2007 and November 30, 2008.
2. You have paid for the inspection, repair or replacement of the power steering system due to a defect with the power steering.
3. You have an original or legible copy of the paid repair order or invoice receipt showing:
 - Description of the concern reported
 - Inspection, repair or replacement of the power steering system
 - Vehicle model and year, and vehicle identification number (VIN)
 - Your name and address at the time of repair
4. Mail this reimbursement application form in the enclosed envelope to:

**Mazda North American Operations
Attn: Recall Reimbursement Dept
P.O. Box 57085
Irvine CA 92619-7085**

Procedure for Reimbursement Request

Once your vehicle has had the power steering system repaired by an authorized Mazda dealer due to a defect with the power steering, you may apply for reimbursement by doing the following:

1. Complete the Reimbursement Application Form found on the reverse side of this page.
2. Mail the Reimbursement Application Form with a legible copy of the paid repair order and/or invoice using the enclosed envelope.
3. **Retain copies** of the paid repair order or invoice and this application form for your records.
4. You will be reimbursed for the amount you have paid for the repair or replacement of the power steering system due to a defect with the power steering.

If you wish to correspond with Mazda regarding this reimbursement plan, please write to the above address and refer to your vehicle identification number (VIN).

Any reimbursement application form that is incomplete, illegible, or sent without the legible copy of the paid repair order or invoice will be returned for completion. If Mazda has any questions concerning your application for reimbursement, you may be contacted. Please allow 6-8 weeks for processing.
