Notification to all of Ride Control direct customers took place in March 2010

5000 letters were sent to retail customers

This number has been updated to reflect total sales of the defective part by Signa to ArvinMeritor and Ride Control, LLC

39 units were returned by end consumers and replaced with non campaign product

This is the number of defective Signa parts that were returned. It was determined by hand sorting the returned parts including those that were not defective, which were manufactured by a different supplier .
