Check Service Comm to confirm campaign eligibility

INTRODUCTION

Nissan is conducting a Voluntary Recall Campaign on certain specific 2008 - 2010 Armada & Titan and 2008 - 2009 Quest vehicles to inspect, and if necessary, replace the brake pedal. On a small number of the potentially affected vehicles the brake pedal assembly may have been manufactured out of specification.

IDENTIFICATION NUMBER

Nissan has assigned identification number PC039 to this quality assurance inspection. This number must appear on all communications and documentation of any nature dealing with this activity.

DEALER RESPONSIBILITY

It is the dealer's responsibility to check Service Comm for the campaign status on each vehicle falling within the range of this voluntary safety recall which for any reason enters the service department. This includes vehicles purchased from private parties or presented by transient (tourist) owners and vehicles in a dealer's inventory. **Federal law requires that new vehicles in dealer inventory which are the subject of a safety recall must be corrected prior to sale. Failure to do so can result in civil penalties by the National Highway Traffic Safety Administration.**

INSPECTION INSTRUCTIONS

1. Look under the dash to view the brake pedal pivot pin.
