BLUE BIRD

R10RV

April 28, 2010

Dear Blue Bird Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Blue Bird Corporation has decided that in certain 2010 model year Blue Bird All American, Vision and Micro-Bird school buses manufactured from April 24, 2009 through November 14, 2009 and equipped with a Ricon Corporation Series model S or K L-model platform lift that a defect exists in the lift "Up" function software.

If the wheelchair lift "Up" function switch is released before the floor level limit switch is activated, the lift may continue its upward travel for approximately 1 second before stopping. This continued upward travel may overrun the floor level cut off point. When the platform overruns the vehicle floor level and stops at an angle of 15-20 degrees, it is possible for a person in a wheelchair to tip over and for someone standing on the platform to fall. This condition could cause personal injury.

The body numbers of your Blue Bird buses which **may** have the subject lifts installed are indicated on the attached yellow cover sheet. You can enter the wheelchair lift serial number(s) on the Ricon website to determine if the wheelchair lift installed in your bus(es) is affected by this campaign. The Ricon recall number is 09E-061.

If your Ricon wheelchair lift serial number is one of the affected lifts, you should contact Ricon Corporation immediately by calling Ricon Customer service at (800) 322-2884 or by emailing Daniel Mata, Recall Coordinator, at dmata@wabtec.com or you can locate your nearest servicing dealer by using the Ricon Dealer Locator at the lower left of the Ricon Website www.riconcorp.com.

Ricon is developing a software solution for this issue. In the interim, Ricon will be providing, at no charge to you, both a bulletin outlining proper wheelchair lift operation and a DVD-based training aid. The software solution will be forwarded to you at no charge by Ricon Corporation when complete.

Attached is a recall completion reply sheet which must be completed for each body number/lift indicating the bulletin has been received and reviewed and the DVD-based training aid has been received and reviewed. This reply sheet must be returned to Blue Bird Att: Recall Administration. Failure to return the completed reply sheet will result in follow up notices being mailed.
