MR. JAY JOSEPH
SENIOR MANAGER,
PRODUCT REGULATORY OFFICE
AMERICAN HONDA MOTOR CO.
1919 TORRANCE BLVD.
TORRANCE, CA 90501

NVS-215dgl
11V-176

SUBJECT: FUEL PUMP MODULE ROLL OVER VALVE

DEAR MR. JOSEPH:

This letter serves to acknowledge American Honda Motor Company's (Honda) notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall campaign which will be conducted pursuant to Federal law for the vehicles listed below.

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
HONDA/CIVIC/2011

NHTSA Campaign Number: 11V-176

Mfg's Report Date: March 14, 2011

Components: FUEL SYSTEM, GASOLINE: DELIVERY: FUEL PUMP

Potential Number of Units Affected: 18,056

Summary:

HONDA IS RECALLING CERTAIN MODEL YEAR 2011 HONDA CIVIC VEHICLES. TO PREVENT FUEL FROM LEAKING OUT OF A VEHICLE'S FUEL TANK INTO THE EVAPORATIVE EMISSIONS CANISTER IN THE EVENT A ROLL-OVER INCIDENT OCCURS, THE FUEL PUMP MODULE IS EQUIPPED WITH A ROLL OVER VALVE (ROV). DUE TO IMPROPER ULTRASONIC WELDING OF THE PLASTIC CASE THAT HOUSES THE ROV WITHIN THE FUEL PUMP MODULE, THE CASE MATERIAL MAY BREAK OR CRACK, WHICH MAY CAUSE THE ROV TO SEPARATE FROM THE CASE AND FAIL TO FUNCTION, THEREBY INCREASING THE RISK OF FUEL LEAKAGE IN A ROLL-OVER INCIDENT.

Consequence:

FUEL LEAKAGE, IN THE PRESENCE OF AN IGNITION SOURCE, COULD RESULT IN A FIRE.

Remedy:

DEALERS WILL INSPECT THE FUEL PUMP MODULE AND IF NECESSARY REPLACE THE MODULE FREE OF CHARGE. THE SAFETY RECALL IS EXPECTED TO BEGIN ON OR BEFORE APRIL 11, 2011. OWNERS MAY CONTACT HONDA CUSTOMER SERVICE AT 1-800-999-1009.

Notes:

HONDA'S SAFETY RECALL NO. R65. CUSTOMERS MAY CONTACT THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION'S VEHICLE SAFETY HOTLINE AT 1-888-327-4236 (TTY: 1-800-424-9153); OR GO TO [HTTP://WWW.SAFERCAR.GOV](http://www.safercar.gov).

We have reviewed your proposed owner notification letter and it meets the requirements of Part 577.

Please provide the following additional information and be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on or before 30 days after the close of the calendar quarter.

Your contact for this recall will be Delia Lopez who may be reached by phone at 202-366-9525, or by email at Delia.lopez@dot.gov, or through the office email at RMD.ODI@dot.gov. We look forward to working with you toward a successful completion of this recall campaign.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a large initial "J" and "T".

Jennifer Timian
