MR. WESLEY CHESTNUT
SENIOR COMPLIANCE ANALYST
SPARTAN CHASSIS, INC.
1000 REYNOLDS ROAD
CHARLOTTE, MI 48813

NVS-215dgl
11V-587

Subject: AIR BRAKE SYSTEM

Dear MR. CHESTNUT:

This letter serves to acknowledge Spartan Chassis, Inc.'s (Spartan) notification to the National Highway Traffic Safety Administration (NHTSA) of a noncompliance with Federal Motor Vehicle Safety Standard No. 121, "Air Brake Systems," which will be conducted pursuant to Federal law for the vehicles listed below.

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

SPARTAN/K2/2011-2012

NHTSA Campaign Number: 11V-587

Mfg's Report Date: December 6, 2011

Components: SERVICE BRAKES, AIR

Potential Number of Units Affected: 35

Summary:

SPARTAN IS RECALLING CERTAIN MODEL YEAR 2011-2012 K2 RECREATIONAL VEHICLES MANUFACTURED FROM SEPTEMBER 30, 2010, THROUGH NOVEMBER 22, 2011, RATED AT 52,000 LBS AND EQUIPPED WITH 3030 BRAKE CHAMBERS. THESE VEHICLES FAIL TO COMPLY WITH THE REQUIREMENTS OF FEDERAL MOTOR VEHICLE SAFETY STANDARD NUMBER 121, "AIR BRAKE SYSTEMS" BECAUSE THEY DO NOT MEET THE PARK BRAKE AND DRAW BAR REQUIREMENTS.

Consequence:

THE PARK BRAKE MAY NOT HOLD THE VEHICLE IN PLACE AND IF THE VEHICLE MOVES, INJURY OR PROPERTY DAMAGE COULD OCCUR WITHOUT WARNING.

Remedy:

SPARTAN WILL NOTIFY OWNERS AND INSTALL IMPROVED BRAKE CHAMBERS, FREE OF CHARGE. THE MANUFACTURER HAS NOT YET PROVIDED A NOTIFICATION SCHEDULE FOR THIS CAMPAIGN. OWNERS MAY CONTACT SPARTAN AT 1-517-543-6400.

Notes:

SPARTAN'S SAFETY RECALL NUMBER IS 11030. OWNERS MAY ALSO CONTACT THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION'S VEHICLE SAFETY HOTLINE AT 1-888-327-4236 (TTY 1-800-424-9153), OR GO TO [HTTP://WWW.SAFERCAR.GOV](http://www.safercar.gov).

Please be reminded of the following requirements:

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is expected owners will be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within 30 days after the close of the calendar quarter in which the campaign was initiated. Thereafter, quarterly reports will be due on or before 30 days after close of the calendar quarter.

Your contact for this recall will be Delia Lopez who may be reached by phone at 202-366-9525, or by email at Delia.lopez@dot.gov, or through the office email at RMD.ODI@dot.gov. We look forward to working with you toward a successful completion of this recall campaign.

Sincerely,

A handwritten signature in black ink, appearing to read "Jen for" followed by a stylized signature.
