Looking the attached over and getting more feed back I need to readjust two things. I CC:d Kelly Schuler in this email as well. I had counted 5 trailers that are not affected, so it expanded our numbers and models. Sorry about the last minute adjustment. I'll continue to set up the mailing in the meanwhile.

Thanks for your patience.

Makes/Models/Model Years:
AMERICAN HAULER/FALCON/2010
AMERICAN HAULER/FALCON XC/2010
AMERICAN HAULER/NIGHTHAWK/2010
AMERICAN HAULER/RAPTOR/2010
AMERICAN HAULER/SILVER HAWK/2010
AMERICAN HAULER/SNOW/2010

Should now read

Makes/Models/Model Years:
AMERICAN HAULER/FALCON XC/2010
AMERICAN HAULER/NIGHTHAWK/2010

and

Potential Number of Units Affected: 53

should read

Potential Number of Units Affected: 47

OK, I think we have everything filled out about right. There are a couple of questions I left blank because for all I can tell they do not apply.
