**Re: Recall Campaign  
Electric Power Steering Assist  
2011 BMW X3 SAV  
Amendment**

Dear Mr. Harris:

This is an amendment to our June 28, 2011 Part 573 report.

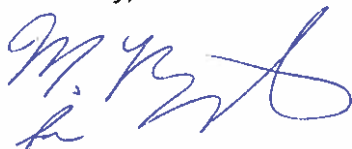

It has been determined that one additional vehicle, with a production date of February 25, 2011, is potentially affected.

For this campaign, we were able to identify specific vehicles, by VIN, within the production date range, that are potentially affected. Therefore, the approximate number of vehicles affected is only increased by one unit.

Accordingly, Sections 2 and 3 of our June 28, 2011 report are replaced by the following:

2. Make: BMW
- Model Year / Model: 2011 / X3 SAV
- Inclusive Dates of Manufacture: February 25, 2011 – June 8, 2011
3. The number of vehicles affected is approximately 51.

Sincerely,

Jan Urbahn
