

## **CERTAIN 2009-2010 MODEL YEAR F-150 VEHICLES EQUIPPED WITH AN INTERIOR CHROME DOOR HANDLE — INTERIOR DOOR HANDLE REINFORCEMENT**

### **OVERVIEW**

Some of the affected vehicles may experience a loose inside door handle that creates a rattle or noise during vehicle operation. Dealers are to replace the interior door handle that does not fully return to the closed position.

### **SERVICE PROCEDURE**

1. Replace the affected interior door handle. For additional information, refer to WSM, Section 501-14.
