

March 15, 2011

To: Heartland RV Valued Dealer

Subject: Safety Recall 11v-159

This notice is being sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Heartland RV has decided that a defect which relates to motor vehicle safety exists on certain North Trail Travel Trailers manufactured between September 1, 2009 and July 31, 2010 has the potential for the suspension to contact the LP pipe under the trailer. This contact can cause damage to the LP pipe which could result in a leak.

If after receiving this notice you have questions you may contact Heartland RV at 877-262-8032, please have the VIN # available for prompt service.

Attached to this notice is a list of the affected coaches with their VIN #'s, and repair instructions. Please check your stock to verify that any affected coaches are repaired promptly.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Respectfully
Heartland RV
