Lift door telltale

FROM: Valérie Fortin, Regulations and Standards Technician, Corp. Micro Bird inc.

Please find enclosed a copy of the notification letter we will mail to our end users in the next days regarding Micro Bird recall # 11-043-LDU:

---

***This notice is sent to you in accordance with the requirements of the National Traffic and Motor vehicle Safety Act.***

Micro Bird has decided that certain 2010 and 2011 Micro Bird MBII MPV equipped with a lift platform that completely covers the lift door opening fail to comply with Federal Motor Vehicle Safety Standard No. 206, "Door locks and door retention components". Our records show that you own the vehicle(s) with the vehicle identification number shown above (or on the reply sheet).

### **What is the safety issue?**

There is no telltale that activates when the lift door is not fully closed and the vehicle ignition is activated.

If the driver moves the vehicle while the lift door is open, there is an increased risk of injury to nearby pedestrians or damage to other vehicles.

### **What should you do?**

Add a green telltale to the instrument panel that is linked to the lift door using the parts provided with the present document. See Service Bulletin enclosed. If you prefer, you can make an appointment with your Micro Bird dealer to have the repair done free of charge (parts & labor).

### **What we are asking you to do...**

Complete the repair, and return the reply sheet to Micro Bird. This will enable us to update our files and send you a reimbursement check for labor.

Please contact Vincent Demers at Micro Bird Service and Warranty at [vincent.demers@microbird.com](mailto:vincent.demers@microbird.com) or 1-819 477-2012 ext. 264 if you have any problems or questions.

### **How long will it take:**

Time required to do the repair is estimated at 10 minutes per vehicle. If you plan to ask a third party to do the repair make sure it will be done within the time allowed. If you or the third party cannot perform the required work within 10 minutes, please contact Vincent Demers at Micro Bird Service
