RE: NHTSA Campaign number 11V-588

Dear Ms. Schuler,

Please allow this correspondence to confirm that our draft of the customer letter for the above referenced campaign submitted for review originally on January 30, 2012 and again on February 15, 2012 was approved by NHTSA on March 2, 2012. Please also allow this note to confirm that the Polk Data (affected customers address list) has been re-ordered in light of its recent expiration, and we expect the customer letters to be sent promptly after receiving the updated Polk Data which is expected to be sometime within the next 1-3 weeks.

Please do not hesitate to contact me should you have any questions.

Sincerely,
A handwritten signature in black ink that reads "Scott R. Cordes" followed by a stylized "NSA" in the upper right corner.
