Re: Side Door Ramp Bracket Attachment

To Whom It May Concern:

This notice is sent to you in accordance with the requirements of the National Traffic Motor Vehicle Safety Act.

Great Dane Trailers has decided that a defect that relates to motor vehicle safety exists in certain trailers built with one design side door ramp bracket installation. If the bracket clip fastener fails then the ramp could become disengaged from the trailer resulting in a fall and or serious injury. The defect exists in the above listed trailers.

To address and remedy this defect Great Dane Trailers has designed a field repair modification which has been attached to this letter. You should immediately inspect the listed trailers and present them to a Great Dane Trailers Branch or Dealer service facility for modification.

If you conclude that Great Dane Trailers has not enabled you to remedy this condition without charge and/or in a reasonable time, a complaint may be submitted to the:

Administrator
National Highway Safety Administration
1200 New Jersey Avenue SE
Washington, DC 20590
