#### NHTSA Recall Campaign # 11V-130

Dear Jayco Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Jayco, Inc. has decided that a defect, which relates to motor vehicle safety, exists in specific MY 2011 Eagle Superlite Fifth-wheels {series 31.5FBHS, 29.5RKS, 30.5DBSA, 31.5RLDS, and 31.5RLTS}. The affected units were manufactured between November 15, 2010 and February 9, 2011.

Jayco has determined, certain vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 120, "Tire selection and rims and motor home/recreation vehicle trailer load carrying capacity information for motor vehicles with a GVWR of more than 4,536 kilograms (10,000 pounds). Due to a typographical error, the size of the tire as indicated on the Federal ID Label is incorrectly identified as 15 when it should be 16. This could result in the selection of an improperly sized replacement tire. All other information on the Federal ID Label is correct as stated on the label.

The remedy for the affected vehicles will involve removing and replacing the Federal ID Label with a correct label. If you choose, you may perform this repair yourself or you may have it performed by a Jayco dealer near you. This repair will be done at no charge to you. If you have had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information or if you are unable to have this repair performed, please contact Jayco Customer Service at 800-283-8267 for assistance.

If you perform this repair yourself, you must complete the enclosed Retail Owner Reply Form and return it to Jayco in the enclosed postage-paid envelope.

If you choose to have this repair performed by a Jayco dealer and the dealer is unable to perform the recall within a reasonable time frame, please contact Jayco Customer Service for further instructions. Any non-Jayco dealer must contact Jayco prior to making the recall repairs for proper authorization and instruction. If you have sold or traded your vehicle, or for any reason cannot have this recall service performed, please let us know by completing the information on the enclosed Retail Owner Reply Form and returning it to us promptly in the enclosed postage-paid envelope.
