**Certain 2008 through 2011 Model Year FJ Cruiser Vehicles  
Equipped with TRD Accessory Wheels and Toyota-Recommended Light Truck Tires  
SAFETY RECALL NOTICE**

VIN:

Dear Toyota Customer:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Toyota has decided that certain 2008 through 2011 Model Year FJ Cruiser vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No.138, Tire Pressure Monitoring System.

**What is the condition?**

Our records indicate that TRD accessory wheels and Toyota-recommended Light Truck (LT) tires were installed on your vehicle. When these tires were installed, the low pressure warning light was not set so that it would come on at the tire pressure required by the standard.

In this condition, if a tire becomes significantly under inflated, the light may not provide a driver adequate warning, which could lead to tire failure and increase the risk of a crash.

**What is Toyota going to do?**

Toyota will replace the Tire Pressure Monitoring System (TPMS) ECU so that it will operate as required by the standard. At the same time, the recommended cold tire inflation pressure will be revised, and the dealer will also install an updated tire and loading information label, at **no charge**.

**What should you do?**

***This is an important Safety Recall***

Please contact your authorized Toyota dealer to make an appointment to have this important remedy performed on your vehicle as soon as possible.

The remedy will take approximately 20 minutes. However, depending upon the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time.

If you would like to update your vehicle ownership or contact information, please go to [www.toyota.com/ownersupdate](http://www.toyota.com/ownersupdate). You will need your full 17-digit Vehicle Identification Number (VIN) to input the new information.

**What if you have other questions?**

***Your local Toyota dealer will be more than happy to answer any of your questions.*** If you require further assistance, you may contact the Toyota Customer Experience Center at 1-888-270-9371 Monday through Friday, 5:00 am to 6:00 pm, Saturday 7:00 am through 4:00 pm Pacific Time.
