Re: Vehicle Identification Number (VIN)

Dear Toyota Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Gulf States Toyota, Inc. (GST) has decided that certain model year 2011 FJ Cruiser vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard No. 138, "Tire Pressure Monitoring Systems."

The TPMS on some vehicles may not have been properly calibrated and as a result the low tire pressure warning lamp may not illuminate should the inflation pressure in one or more of the vehicle's tires fall below the threshold for when the low tire pressure warning lamp should illuminate. Drivers will not receive a warning from the tire pressuring monitor that one or more tires are underinflated increasing the risk that a vehicle will be driven with one or more underinflated tires, increasing the risk of a tire failure that may lead to a crash.

Our records indicate that you are the owner of a 2011 Toyota FJ Cruiser that is equipped with accessory Light Truck (LT) tires which replaced the original tires installed at the factory. GST is initiating a safety recall to replace the (LT) tires and install an updated Tire and Loading Information Label. GST will perform this service at no cost to you.

What will GST do?

GST will replace the (LT) tires so that the TPMS will operate in accordance with the regulation and will also install an updated Tire and Loading Information Label. GST will perform this service at no charge.

What should you do?

Contact your local Toyota dealer to schedule an appointment if you are in Texas, Louisiana, Oklahoma, Arkansas, or Mississippi. If you are outside these five states, then contact the GST Customer Assistance Center toll free at 1-800-444-1074 Monday through Thursday, 8:30 am to 5:00 pm, or Friday 8:30 am to 4:00 pm Central Standard Time.

Please note that you may have received a previous communication about the same issue. If you have already had the recall conducted, you need not do anything further.

We have sent you this notice in the interest of your continued satisfaction with our products and sincerely regret any inconvenience this recall may cause you.

Sincerely,

Gulf States Toyota, Inc.
