Re: Safety Recall 10E-049

Dear Sir:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

The Aluminum Trailer Company has decided that a defect which relates to motor vehicle safety exists in certain model year 2008 Quest Car Hauler ATC trailers equipped with 1200 series Norcold refrigerators.

You are receiving this notification because you are in the possession of two trailers that have been identified by the Aluminum Trailer Company to contain Norcold refrigerators whose models have been identified as being under a recall due to a safety related issue.

Vin 5JXAE28248E168056

This recall is being conducted due to faulty thermal switch on the Norcold refrigerators.

The remedy to do this problem is to replace the defective thermal switch at no charge to you. This repair will be provided by the Norcold Company. You should contact Norcold directly to arrange for this repair. In order to avoid the potential of a fire please closely monitor the refrigerator during use until this repair can be made.

We are sending a copy of the Norcold safety recall notification dated October 7, 2010 so that you may contact them and take corrective action pursuant to this recall.

If you need assistance please contact the Aluminum Trailer Company at the phone number listed below.

If after attempting to have your refrigerator repaired you believe you have not been able to have your problem remedied without charge and within a reasonable amount of time,

you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, D.C. 20590; or call toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>

We apologize for any inconvenience this safety recall may cause, but your safety is our primary concern.

Sincerely,

Tom Vanderputten
