IMPORTANT: Safety Notice SAFETY RECALL – 11V-516

Dear Valued Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Spartan Motors Chassis, Inc. has decided a defect which relates to motor vehicle safety exists in certain incomplete recreational vehicle chassis.

Please note: The Vehicle Identification Number that may be affected by this recall is located at the top of this letter.

Defect:

Certain recreational vehicles chassis produced by Spartan Motors Chassis, Inc. may exhibit an inadvertent, increase in vehicle speed after the vehicle's cruise control is set. When the brake is applied and released, the cruise may resume and the vehicle speed may continue to increase. However, when the cruise control function is in the "Off" position, this **will not** occur.

If the vehicle speed increases and the driver is unaware, he/she may have reduced stopping distance in the event he/she needs to slow and subsequently stop the vehicle. This could lead to a vehicle crash. This may occur without warning.

Corrective Action:

Spartan Motors Chassis, Inc. will install new cruise control switches and reprogram the existing control module free of charge.

Labor Time:

The labor time required to perform said repairs may be 2 hours. Due to some service scheduling times, your service center may need your vehicle for a longer period.
