

December 2011

Dear General Motors Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that certain 2012 model year Chevrolet Colorado and GMC Canyon vehicles fail to conform to Federal/Canada Motor Vehicle Safety Standard 208, Occupant Crash Protection. As a result, GM is conducting a recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your vehicle is involved in recall 11322.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

Your vehicle may have been produced with driver safety belt buckle electrical connector terminals that do not fit snugly with the connector pins, causing the connection to be intermittent. The loose connections may cause the driver to not receive a visual or audible warning that the driver seat belt is not fastened. Driving with an unfastened seat belt increases the risk of personal injury in the event of a crash.

What will we do?

Your GM dealer will install new driver and passenger safety belt buckle electrical connector terminals. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of 1 hour and 10 minutes.

If your vehicle is within the New Vehicle Limited Warranty, your dealer may provide you with shuttle service or some other form of courtesy transportation while your vehicle is at the dealership for this repair. Please refer to your Owner Manual and your dealer for details on courtesy transportation.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.
