

IMPORTANT: SAFETY RECALL NOTICE

In June 2011, we notified you of a Safety Recall involving the bank angle sensor on your **2010-2011 VT750C or VT750C2B**. At the time, we advised owners that:

Engine vibration can cause the bank angle sensor to malfunction and the engine to unexpectedly stall. An engine stall increases the risk of a crash.

According to our records, you have not yet had your affected VT750C or VT750C2B repaired. Please call your authorized Honda motorcycle dealer to schedule an appointment for repair as soon as possible. This repair is free of charge.

If you have already had your motorcycle repaired, or if you no longer own this motorcycle, please let us know by calling toll-free (866) 784-1870. We will update our records and stop sending you reminder notices.

If you have any questions about this recall, your authorized Honda motorcycle dealer will be happy to assist you.

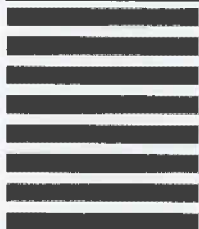

Sincerely,

**American Honda Motor Co., Inc.
Motorcycle Division**
