IMPORTANT: Safety Notice

SAFETY – RECALL

Dear Final Stage Manufacturer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Spartan Motors, Inc. has decided non-compliance to Federal Motor Vehicle Safety Standards 208 – Occupant Crash Protection safety may exist in certain Gladiator and Metrostar chassis/cabs assembled by Spartan Motors Chassis, Inc. equipped with Rolltek® Supplemental Restraint System.

The supplemental restraint system (SRS) indicator may not illuminate, if a malfunction occurs. This could result in the operator being unaware a problem exist with the SRS. Certain malfunctions may result in an inoperative system; this could increase the risk of occupant injury during a vehicle crash.

On the attached document, you will find a list of chassis that may be equipped with the SRS; Spartan Chassis has sold to you. If you agree the identified chassis, contains non-compliance to FMVSS 208, you are reminded of your responsibility to notify the National Highway Traffic Safety Administration (NHTSA) in accordance with 49CFR573. It is a violation of federal regulation to sell a vehicle subject to a safety recall without the recall first being remedied.

Contact a Spartan Motors Chassis, Inc. Customer Service group to schedule remedy identified on service bulletin RSB11-120-001.

Spartan Motors Chassis, Inc. will facilitate this repair at no charge to you.

For questions regarding warranty claims, please call **800-543-5008 Option 6**.
