From Motorcycle Service Communications

Subject STOP SALE NOTICE: 2008-2010 ST1300/A/PA

Motorcycle Service

July 6, 2010

Dear Honda Motorcycle Dealer,

Honda is launching a SAFETY RECALL on 2008, 2009, and 2010 model year ST1300 motorcycles to replace the rear brake master cylinder reservoir hose.

Effectively immediately, YOU MUST NOT SELL any 2008, 2009, or 2010 model year ST1300 of any model variation (standard type, ABS type, and Police type).

Parts Availability:

Initially, parts will be allocated around July 20 for dealer inventory and then made available on open order for customers responding to Recall Letters that should be mailed the following week.

Service Bulletin:

The Service Bulletin, including repair procedures, will be posted to *iN* around July 15.

NOTE: Your dealership will be violating Federal Law, violating your sales and service agreement, and forfeiting sales incentives if you sell any of the products listed in this notice before they are properly repaired according to Honda's instructions. If you have any questions about your obligations, please refer to this link:

[Sales Bulletin 10-0290, Recall Compliance Letter](#)

If you have recently sold an affected motorcycle, including up to the day of this message, immediately submit the sales registration information to avoid penalties.

Make sure all departments at your dealership are aware of this action.

Thank you for your cooperation.

American Honda Motor Co., Inc.
Motorcycle Division

Bulletin Number 11-0271
