National Highway Traffic Safety Administration  
1200 New Jersey Ave. S.E., Room W45-231  
Washington, D.C. 20590

**Re: Roush Performance Products, Inc.  
NHTSA RECALL #11V-450**

Dear Mr. Harris:

This letter provides additional information to supplement Roush Performance Products, Inc. ("Roush") Part 573 report filed on August 28, 2011, regarding a possible defect found on the fuel rails of certain MY 2007 and 2008 Ford E350 Van Wagons, MY 2009-2011 Ford E-Series 150, 250 and 350 Van/Wagons, and MY 2010-2011 Ford E-Series 450 Cutaways altered by Roush to operate using the Roush CleanTech Liquid Propane Autogas Fuel System.

Specifically, this is to advise that Roush intends to begin sending out our NHTSA approved owner notification letter on Monday, September 26, 2011. Copies of the dealer and service center notifications will be provided to you within five business days of their mailing, as required by your regulations.

Thank you,

Joseph Thompson  
President of Roush Clean Tech acting as the  
Authorized Representative of Roush Performance Products, Inc.

Enclosure

cc: Jay Jolliffe/Roush – General Counsel
