**Re: DTNA 2nd Quarter 2011, AMENDED Quarterly Report
Recall 10V-551, & 11V-077 (FL-584)**

Mr. Medford,

Enclosed herewith is an AMENDED Quarterly Report for Daimler Trucks North America recalls 10V-551 and 11V-077 (FL-584), including divisions and subsidiaries Freightliner Trucks, and Western Star Trucks. DTNA's original quarterly report submitted on July 29, 2011 listed all notification counts for this campaign under 10V-551. Due to a shift in owners addresses from Canadian domicile to U.S. domicile NHTSA assigned an additional recall number to this campaign. This amended report separates counts for this campaign into those two recalls. This campaign is 100% complete.

The notification campaign number assigned by NHTSA	10V-551	11V-077
The date notification began and the date completed	1/31/2011	1/31/2011
The date completed	1/31/2011	1/31/2011
The number of vehicles involved in the notification campaign	7,466	303
The number of vehicles which have been inspected and repaired	7,466	303
The number of vehicles inspected and determined not to need repair	0	0
The number of vehicles determined to be unreachable for inspection	0	0

Sincerely,

Nasser Zamani
