Subject: Safety Recall Campaigns Status Report pursuant to 49 CFR Part 573.7.

Dear Associate Administrator:

Pursuant to the requirements of 49 CFR Part 573.7 - Quarterly Reports, Think North America Inc. submits the accompanying report to NHTSA. The report covers the safety recall campaigns initiated during the period of January, February and March 2011.

Think North America regards each of the three campaigns listed to be fully completed and closed, as all of the vehicles involved in these campaigns have been inspected and, if necessary, repaired.

You may telephone me at (313) 565 6781, ext. 122, or email me at [Paul.Lester@thinkev.com](mailto:Paul.Lester@thinkev.com) with any questions you may have.

Respectfully,

Paul Lester  
Engineering Manager,  
THINK North America, Inc.

\* There appears to be some confusion regarding Think’s internal designation of campaign no. 11V-104. Think notes that Jennifer Timian’s letter to Think’s Keith Takasawa dated February 25, 2011 references “THINK’S SAFETY RECALL NO. 11-104.” Note however that Mr. Takasawa’s notice pursuant to Part 573.6 dated 02/1/2011 indicates that the Think internal recall number is 11-103. We apologize for not sooner pointing out this discrepancy to the agency. Think’s internal designation is in fact “11-103.”
