10V-033	10V-369	11V-106	

*Note: In October 2011, we had a clean-up mailing for 09V-174, and your office requested that we file one additional quarterly report to see if the completion rate increases. The additional report was provided in our fourth quarter 2010 report. Athough not requested, we have included a third additional report for 09V-174. This will be our final report for this campaign unless NHTSA advises to the contrary.

**Please note that due to a typographical error, the first quarterly report for recall 10V-624 was incorrectly titled and listed in our first quarter 2011 report as campaign number 10V-264. For your records, correctly titled copies of the first and second quarterly reports for 10V-624 are enclosed.

In the second quarter of 2011, follow-up notices were mailed to owners of vehicles that had not yet been repaired for the following recalls:

08V-593	10V-001	10V-145
09E-063	10V-033	10V-174
09V-259	10V-055	10V-640
09V-362	10V-098	10V-004

If you have any questions regarding this material, please contact me at (310) 783-3632.
