January 8, 2013

THIS IS YOUR THIRD NOTICE

RE: IMPORTANT CONSUMER SAFETY NOTICE

Dear Sir or Madam:

You are receiving this third notice because we have not received a response from you regarding our previous letters dated 11/14/2011 and 4/19/2012.

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REASON FOR THIS RECALL

The Aluminum Trailer Company ("ATC") has decided that a defect which relates to motor vehicle safety exists in certain ATC model car hauler trailers with extended hitches manufactured by ATC from *December 1, 2006 until September 16, 2011*

ATC has determined that the aluminum in the hitch on the trailer may weaken and possibly break, which could cause the trailer to become detached from your towing vehicle, becoming a safety risk and potentially causing property damage and personal injury. Safety of all past and present ATC trailers is our top priority.

You can inspect your trailer for possible deflection of the hitch and initial cracking of welds at the hitch and front cross member on the frame.

If you believe your trailer does not contain this defect or there are no visible signs of potential failure, please contact the Aluminum Trailer Company with this information.

After contacting the ATC customer service number, if you still are not able to have the safety defect remedied without charge and within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>, if you believe that ATC has failed or is unable to remedy the defect or noncompliance without charge.

We will furnish you a warranty number to use with all communications. If you have sold or traded your trailer, please let us know by completing the postage paid reply card and returning it to us.

We take great pride in the quality and safety of our products. Your participation in this process helps us achieve our goal of continuing to provide our customers with many more years of safe travel trailer use. We are sorry for this inconvenience; however we have taken this action in the interest of your safety and continued satisfaction with our products.

If you have any questions, please contact me. Thank you for your cooperation.

Sincerely,

Tom Vanderputten
Service and Warranty Manager
