**Mfr's Report Date:** December 11, 2012

**NHTSA Campaign Number:** 12V-592

**Components:**  
EQUIPMENT:OTHER:LABELS

**Potential Number of Units Affected:** 244

**Problem Description:**

Triumph Motorcycles (Triumph) is recalling certain model year 2013 Trophy motorcycles manufactured from September 5, 2012, through November 29, 2012. These motorcycles were produced with a label bearing incorrect tire data which fails to conform to the labeling requirements of Federal Motor Vehicle Safety Standard No. 120, "Tire Selection and Rims for Motor Vehicles Other Than Passenger Cars," and they fail to comply with the certification requirements of 49 CFR Part 567, "Certification."

**Consequence:**

Owners relying on the information contained in the label may install incorrect replacement tires, increasing the risk of personal injury.

**Remedy:**

None of the affected motorcycles have been sold to consumers and they will be repaired prior to sale. Therefore, an owner notification letter will not be issued for this campaign. Owners may contact Triumph at 1-678-854-2010 for more information.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports, or until the campaign becomes 100% complete, is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
