Re: Recall 12V-306; Update to Isuzu's Part 573 Report DET-12-087

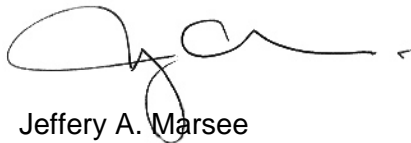

Dear Ms. Lewis:

I am writing to update the initial information Isuzu provided in our Part 573 report DET-12-087 submitted on June 29, 2012. After reviewing our customer information, we discovered the original reported vehicle volume was incorrect. Please find attached an updated volume list. There are no changes to the inclusive manufacturing dates and VIN ranges.

In addition, Isuzu plans to start owner notification on August 3rd, 2012.

If you have any questions, please contact me at 734-582-9262.

Sincerely,

Jeffery A. Marsee
Chief Representative
Emission and Safety
Isuzu Manufacturing Services of America, Inc.
